WAYNE ROOT: 33 Dead & Sick Friends Since Our Wedding Only 8 Months Ago. All 33 Vaxxed. A “Vaccine Death & Disease Cluster.”

Assistant Editor

6-8 minutes

By Wayne Allyn Root

Yes, you read correctly. There are (so far) 33 friends and relatives dead or sick since our wedding eight months ago. I've done the research. All 33 were vaxxed. Every one of them.

This is a “vaccine death and disease cluster.”

This is like the “Love Canal” cancer cluster of the 1970s. It can't be ignored when you see so many people dead, or very ill in just one group.

But it has nothing to do with our wedding.

Open your eyes. This is happening everywhere. Non-Covid deaths are up dramatically in the United States (and all over the world). Life insurance companies report non-Covid deaths are up 40% or more among young, working age Americans. Lincoln National reports death benefit payouts are up over 163% in the year since Covid vaccines came out. These are death increases not seen during World War II.

Read the headlines- every day a new celebrity, actor, rock star, athlete or CEO is dropping dead “suddenly and unexpectedly.” Most of them are way too young to die, or suffer strokes or heart attacks. I’m betting they all have one thing in common- **they are VACCINATED.**

I surfed over to TMZ.com one night this week. Here were the headlines:

*American Pickers’ Frank Fritz hospitalized

after stroke.

*“Little Women: Atlanta” star Ms. Juicy suffered stroke, out of ICU.

*Hailey Bieber (Justin Bieber’s 25 yr old wife) had mini-stroke, underwent heart procedure.

*“Elvis” actress Shonka Dukureh found dead in apartment at age 44.

*Sopranos Star Tony Sirico dead.

*“AGT” & “Voice” contestant Nolan Neal dead at 41.

Add to the list...

*Paul Duncan, 35, former Notre Dame football star died of heart attack while jogging.

*The autopsy of Sam Bruce, former Miami Hurricanes football player, was released. He died of a heart attack while driving in April at the age of 28.

These were all headlines in one day this week!

Have you ever heard of anything like this in your life? This is a tsunami. This is a plague. This is a REAL pandemic. These are all relatively young Americans either suddenly dead, or very ill with the two most common side effects of the Covid vaccine (heart attacks and strokes).

Everything I have warned about on my national radio show since the first day of the vaccine has (sadly) happened. The chickens have come home to roost. The Covid vaccine is dangerous and deadly. It is the biggest disaster and failure in the history of healthcare. It is a nonstop death and injury machine.

I've personally compiled a detailed list of studies released by governments and medical authorities around the world that all

point to three absolute conclusions:

A) The Covid vaccine is a horrible failure.

B) The Covid vaccine is dangerous and deadly.

C) Those who take two or more vaccines are much more likely to get Covid...to be hospitalized with Covid...and to die from Covid.

But it gets much worse. The vaccinated are dropping like flies from heart attacks, strokes, blood clots, cancer, and being disabled by a multitude of illness and disease.

Two of the latest credible studies show...

*The Covid vaccine damages and destroys the immune system like a form of AIDS.

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC9167431/>

*91% of those in the UK who have died of

Covid this year are triple or quadruple vaccinated: <https://expose-news.com/2022/07/22/uk-gov-confirms-91percent-covid-deaths-triple-vaccinated/>

Have you heard about these studies in the mainstream media? Why not?

Want to see all these credible studies pointing to a Covid vaccine disaster? I've compiled the most extensive list of anyone, anywhere. I'll send it to anyone who asks.

Now we come to my personal story. It's been only eight months since I wed my beautiful bride Cindy Parker Root. And in that time, people we know and love have been dying and suffering deadly non-Covid illness in huge numbers.

33 of them.

33 dead, or injured, crippled or disabled in

only eight months. That's a lot of friends and relatives. That's a "death cluster" that should be investigated by scientists, MDs and the CDC. That's a story that should garner media headlines. But wait, there's more...

All 33 were vaccinated.

It's important to note, I'm a conservative talk show host who has warned LOUDLY of the dangers of the vaccine since day one. So, my friends are overwhelmingly conservative and unvaccinated too. Yet the few friends I know who did choose to vaccinate are almost all dead or ill.

Just think about those percentages. The ranks of my few vaccinated friends are decimated like a platoon of Marines shredded by an enemy ambush, who came home in body bags.

Wait, here's the clincher. Among my friends

and family who are unvaccinated, not one of them has died or been sick since my wedding eight months ago.

Do you detect a pattern here? Even Democrats have to notice a pattern, right? Even Dr. Fauci has to notice a pattern, right? Even Joe Biden has to notice a pattern. Well let's not get carried away. Nursing home patients with dementia can't be expected to understand simple patterns.

Something is very wrong. Anyone can see it in the headlines every day. Americans are dropping dead at the highest rate in history. These are all non-Covid deaths. These are young working age Americans. And I'm betting they all have one thing in common: they're vaccinated.

But in the end, nothing is more telling than my personal story. Call it a "vaccine death and disease cluster."

The media needs to report on this disaster. The FDA and CDC needs to admit it's happening. The vaccines must be stopped. But instead, they're doubling down. Remarkably, they're recommending Covid jabs for babies, toddlers and teens.

This is either the biggest health scam and cover-up in world history, or mass murder on a grand scale. Or both.
