Trump Family Reacts to Indictment: 'Communist-Level S**t'

Sarah Arnold

3-4 minutes

Former President Trump's family speaks out against his indictment, pointing out the hypocrisy of not charging the Biden family for their shady overseas business dealings.

"They don't do this to the Biden administration or the Biden family," Trump Jr. said. "Or to the Clintons or to any one of the corrupt Democrats out there that have made millions and probably billions where there's smoke like you wouldn't even believe ... this

is weaponized justice at its absolute worst."

He called "Soros-backed Manhattan District Attorney Alvin Bragg's" attack against his father "communist-level sh*t," accusing Democrats of prosecutorial misconduct, which is the targeting of a political opponent.

"This is stuff that would make Mao, Stalin, and Pol Pot; it would make them blush. It's so flagrant; it's so crazed. Even the radical leftists of the Washington Post are out there saying, 'it's not really based on facts, it's not really based on the law, not really based in reality, but it's 100% based on politics,'" Trump Jr. continued.

He also condemned Trump's former lawyer, Michael Cohen, an "unreliable, discredited witness," helping Bragg and the Democratic Party dismiss the law to attack conservatives.

Trump's other son, Eric, accused Bragg of targeting his father right before the 2024 presidential election began to stop him from potentially winning.

"This is the opportunistic targeting of a political opponent in a campaign year,' said the 39-year-old second son of the ex-head of state of the grand jury's decision," Eric told the Daily Mail. "They ruthlessly attacked my father because he dared challenge the political elite. This is Exhibit A to the decline of American Law."

This is third world prosecutorial misconduct. It is the opportunistic targeting of a political opponent in a campaign year.

Trump Jr.'s fiance, Kimberly Guilfoyle, commented on the former president's unfair, politically motivated treatment, saying that

Democrats are only after Trump because he fights for the American people.

"We overcame the Russia hoax," Guilfoyle said. "We overcame the Mueller witch hunt. We overcame two impeachment shams. We will OVERCOME Alvin Bragg's political prosecution. Just remember, they're only after Trump because he fights for YOU!"
