Joachim Hagopian, How We Got to Today's Precipice: The Rothschild Deep State Cabal Is Imploding

James Fetzer

21-26 minutes

Joachim Hagopian

Whenever any form of government becomes destructive of these ends [life, liberty and the pursuit of happiness], it is the right of the people to alter or abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Thomas Jefferson, [Declaration of Independence](#),

|1776

That same momentous year that kicked off the American Revolution, 1776 was also the year that ex-Jesuit [Adam Weishaupt](#) in Bavaria founded his Illuminati Order, sponsored by Mayer Amschel Rothschild as House of Rothschild patriarch in nearby Frankfurt, Germany. And it was America's third US President [Thomas Jefferson](#), who refused renewal of the Rothschild controlled First Bank of America's charter in 1811. The American Revolution may have been fought for independence from King George's British monarchy, but not independence from the Rothschild central banking cartel, whose controlling 70% foreign interests in First Bank of America indebted America's earliest citizens. At the end of George Washington's eight years as first US president, in 1791 the federalist Rothschild agent Alexander Hamilton installed for the Rothschilds their First Bank of America.

Not renewing its charter, Jefferson kicked the Rothschild owned bank out of the US, which became the basis for America's first war as a sovereign independent country, once again facing

the same British enemy in the War of 1812. This war fought over financial independence from Britain's City of London, only caused young America to drown further in war debt, as [Nathan Rothschild](#) backing both sides to every conflict he creates was determined to bankrupt the US to force it into recolonization. Despite the hard-fought American military victory, by 1815 with the US war debt nearly tripled at \$119.2 million in the red, America financially was already a major debtor nation owing the infamous bloodline banking dynasty. That same year, making a colossal fortune over the Battle of Waterloo outcome by pre-rigging his investment, the gloating crook Nathan Rothschild proclaimed:

I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply.

Sadly, America's War of 1812 struggle for financial independence from the Rothschild controllers was lost. A brief excerpt from my [Pedophilia &](#)

[Empire](#) series, Book 3, chapter one on the Rothschild family:

In 1816 with yet a Second Bank of the United States foisted on American citizens for the next 20 years, in effect, Rothschild was simply seizing his predatory ownership of the United States. And once again, private control over the US money supply tacking on parasitic interest went into the coffers of as many as 1000 foreign investors, with [Nathan's younger brother] Baron James de Rothschild in Paris holding the controlling shares.

When the Second Bank of America's charter was up for renewal 20 years later in 1836, that year Nathan Rothschild died. But France's James de Rothschild assuming control over both the London and Paris banking branches, battled playing dirty as usual for charter renewal. He met his match as the resolute, feisty President [Andrew Jackson](#) was up for the challenge, declaring war on the House of Rothschild:

You are a den of vipers. I intend to rout you out and by eternal God, I will rout you out.

President Jackson's turn to oppose the centralized

moneychangers ultimately proved successful, kicking the Rothschilds out of America yet again, and the second British dynasty US takeover was again foiled, at least temporarily. However, the year prior in 1835, amidst the battle over the US private central bank, Jackson barely dodged a bullet to literally escape an assassination attempt attributed to Rothschild wrath. From 1836 to 1913, the US was largely free of the treacherous Rothschild leeches from Europe, signifying America's longest period of foremost economic growth and prosperity in its entire history.

Having acquired central banking control over Europe and through Nathan Rothschild's ownership of the Bank of England by early 19th century, the [British East India Company](#) monopoly over international trade, including both the drug and slave trade, spanned the globe from Africa, the Indian and Pacific Oceans to North America and Europe, the flourishing international banking cartel consolidated its growing global money lending power over every commercial trade on every continent. But one vast sprawling nation covering two continents over the

centuries resisted and eluded the Rothschild clutches. As a result, Russia was repeatedly targeted, as its ruling Romanov monarchy managed to successfully evade the Rothschild predatory conquest, but not without murderous retribution.

From author Eustice Mullens' [New World Order](#):

After the fall of Napoleon, the Rothschilds turned all their hatred against the Romanovs. In 1825, they poisoned Alexander I; in 1855, they poisoned Nicholas I. Other assassinations followed, culminating on the night of November 6, 1917, when a dozen Red Guards drove a truck up to the Imperial Bank Building in Moscow. They loaded the Imperial jewel collection and \$700 million gold, loot totaling more than a billion dollars. The new regime also confiscated the 150 million acres in Russia personally owned by the Czar.

In addition to a century of assassinating Romanov czars by poison, when [Czar Alexander II](#) came to the aid of Abraham Lincoln during the Civil War, which by many accounts attribute Russian support to preserving the Union, the vindictive Rothschild cartel as primary backer of the Confederacy, vowed

eternal revenge against the Russia and its royal family. The Rothschilds et al's war at all cost against Russia today in Ukraine is merely this same long legacy's outcome.

Just prior to the Rothschilds' planned First World War in 1914, a few months earlier in late 1913, they deceptively snuck through Congress their Federal Reserve Act on December 23rd, after most members had already left on Christmas break. The Jekyll Island rendezvous of the Fed Reserve architects included [Paul Warburg](#), the German born chief central banking Rothschild agent moved to the US, ending up the second Vice Fed chairman. Continuity of one thought mind pervades the Warburg clan as Paul's son James Paul Warburg before the Senate Foreign Relations Committee in 1950 emphatically [declared](#):

We shall have world government, whether or not we like it. The question is only whether world government will be achieved by consent or by conquest.

Thus, the third Rothschild central private bank in America was established to take permanent full

usury-debtor system control over the US money supply, through bribery of Washington's political puppet class, and the American people through their engineered debtor system. 1913 also saw the passage of the Federal Income Tax Act, illegally squeezing tax dollars to rip off hardworking US citizens just to pay off debt interests from all the bankers' war loans. This vicious control cycle is how Khazarian mafia swindlers have cunningly operated since their identity snatching days of their ancient [Khazar](#) kingdom over a millennium ago.

The Rothschild central banking controllers hired one of their own, distant cousin Karl Marx to write his Marxist *Communist Manifesto* in 1848. And it was the Rothschild cartel money along with Rothschild agent [Jacob Schiff](#) in America that financed his fellow Jews' [Bolshevik Revolution](#) and their plotted murder and theft of Russian Czar Nicholas II's family in 1917. And that billion plus of stolen Russian gold is said to have wound up stored in Rothschild's underground chambers at City of London's Bank of England. A centuries long pattern of covert deception, murder, war, corruption and insatiable

appetite for greed and increasing power characterize all that is behind today's still operating [Khazarian mafia](#) bankster dynasty rooted in ancient Khazar more than a millennium ago. Closer to this century historically, one world government tyranny and depopulation [eugenics](#) have both reflected the elites' obsession.

Rothschild crimes funded all three of the most bloodthirsty dictators in all of human history. The 1917 [Russian Revolution](#) spawned the rise of the Lenin-Stalin Communist Soviet Union democide, killing [66 million](#) mostly Christian Russians. Then, since the early 1930s, in addition to Bush, Rothschild and Rockefeller bloodlines also funded the rise of [Adolph Hitler](#). His alleged sacrifice of 6 million Jews in WWII was used coldheartedly as Zionist bargaining chips for the non-Hebrew [Ashkenazim](#) false claim of "Israelite birthright" to a homeland in Palestine, promised to Lord Lionel Rothschild in the 1917 Balfour Declaration. Three decades later, the pledge was fulfilled with the establishment of the Jewish State.

Despite a [non-Hebrew](#) heritage, Ashkenazi [non]Jews that trace back originally to nomadic Turkic tribes, comprise 90% of today's Israeli population.

The Balfour Declaration also made another [pledge](#):

...Nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine.

The Jewish State since its 1948 inception, that's the last three quarters of a century now, has brutally pushed out the true Semite Arabs living in Palestine, their rightful ancient homeland, yet they've been systematically destroyed by Israel's official [genocidal apartheid](#) policy. This fact is neither anti-Semitic nor what should be allowed or tolerated by rest of the world, yet with impunity, it has for far too long. This shameful reality is largely due to the Zionist House of Rothschild's influence and control over Israel.

Also in the 1930s, the Rothschilds groomed and backed yet another notorious Yale educated dictator [Mao Zedong](#), also covertly supporting his democide against [65 million](#) of his own sacrificed

fellow Chinese. Over the centuries, you can recognize a pattern, that these Luciferian bloodline controllers led by the likes of the Rothschild and Rockefeller dynasties, have had ample practice committing genocides, financing the rise to power of all three dictators responsible for the deadliest genocides in all of history on this planet... that is, until the current unprecedented [genocide](#) against today's human race.

In 1933 the globalists of the day attempted the first major coup against the United States government in a failed attempt to overthrow the Franklin Delano Roosevelt, singlehandedly prevented by the Medal of Honor and most decorated war hero US Marine Corps Major [General Smedley Butler](#). His intervention stopped the plotted criminal takeover, exposing it publicly in the press in 1934 as well as in his book. And though his courageous actions successfully averted the treasonous subversion committed by some of America's wealthiest, most powerful conspiratorial traitors as captains of industry, bankers and politicians, among them heir to the Singer Sewing fortune Robert Sterling Clark

and George HW Bush's father, [Prescott Bush](#), during WWII as a Union Banking Corp. director, Bush's company was linked to financing, aiding and abetting the US Nazi enemy Adolph Hitler, yet his shockingly treasonous past was covered up and he was sent to the US Senate from Connecticut. Of course, the [Bush-Clinton](#) crime families are notorious for getting away with multiple felonies of high treason. Pedophile George Bush senior was implicated in America's largest publicly exposed child sex trafficking network, tagged the "[Franklin scandal](#)" involving Nebraska children some from Catholic Boys Town directly trafficked to the White House during the Reagan-Bush administrations.

While the Bush crime family are Satanists, their fellow Satanist arrested in this scandal coverup was fall guy Lawrence E. King, though the entire operation was quickly swept under the carpet as ringleader King aided by the likes of Satanist Lt. Col. [Michael Aquino](#) hotel drop-off of a cash filled suitcase to King. Like Epstein, Lawrence King was also handed a sweetheart deal with next to no jailtime considering his ungodly crimes. Of course,

Aquino always walked free despite being linked to multiple pedo-scandals, protected by his military status high up in America's MK mind control operation, identified by a number of child victims at the [Presidio](#) daycare scandal as well as implicated by [Cathy O'Brien](#) as a MK-ultra top programmer. America's highest-profile pedophile-child sex trafficker is supposedly deceased, Jeffrey Epstein, while his gal pal partner-in-crime Guislaine Maxwell serves her 20-year sentence in a Florida federal penitentiary.

Whereas the Franklin scandal incriminates the Bush crime family, both the Epstein-Maxwell operation and [Pizzagate scandal](#) expose the Rothschild, Clinton, Podesta, Obama, Biden crime families, including Donald Trump touting what "a [terrific guy](#)" Epstein was to 2004 *New York Magazine*, adding how he loves "the young ones," wink, wink. The fact is, America's uniparty is infested with hundreds of compromised famous pedophiles and gatekeeping enablers still walking free, despite the tons of cameras capturing the crimes as evidence. Outside of King, [Epstein](#) and Maxwell, zero arrests and

prosecutions of any prominent guilty pedo-criminals including [British](#), [Belgian](#), and [Dutch](#) royalty, [prime ministers](#) and presidents, as well as billionaire criminals like [Bill Gates](#), hundreds, perhaps thousands of these blackmailed VIP politicians, judges, police chiefs, generals, CEOs, bankers and [entertainers](#), all guilty of horrific child sex abuse crimes have yet to face their unholiest of unholy karma.

Multiple chapters in *Pedophilia & Empire* [Book 4](#) unravel the US pedo-scourge and other scandals throughout the world in the other books. The New World Order, [secret societies](#) and the global pedophilia network generating enormous black ops revenue involving colossal amounts of money laundering by all Rothschild private central banks, are explicitly intertwined and fully documented in the five volume series with access to all 50 plus chapters [here](#).

Because so much accelerated shocking truth is coming out weekly, with a one in 6 billion chance of so many disastrous [chemical spill](#) derailments all at once, manmade [earthquakes](#) punishing nations

aligned with Russia, all are only further incriminating the bloodline controllers and their puppet minions at the highest echelons of Western power. The reason why the Ukraine war is so huge right now, carrying so much at stake, is because the entire New World Order's one world government scheme is riding on the bloodline controllers' defeat by Russia in Ukraine as their longtime "[devil's playground](#)" hub gets further exposed to the global public. With all these bloodline criminals vis-à-vis the Rothschild dynasty atop this predatory food chain, busily bribing, blackmailing, and silencing facts and truth-tellers through any and all means necessary, it's to ensure that their psychopathic club of elites remains unreachable and immune from all prosecution and long overdue justice. They know more than enough criminal evidence is out there in the public domain to convict these genocidal killers for their unending crimes and they know that We the People are closing in on them. And because of this, the monstrous beasts are willing to unleash nuclear Armageddon. We are living through epic times, and though millions have already perished and perhaps billions more will follow, in this war between good

and evil, we have them on the run, rushing like cockroaches for the cover of darkness. But armed and united by the truth, justice will be done.

As a consequence of the covert subversive overthrow of the United States government taking place in recent years, both the complete absence of rule of law and rampant treasonous failure to uphold the US Constitution, currently has Americans and people around the world waking up in righteous anger by the thousands every single day. Our founding fathers like Thomas Jefferson bestowed fundamental rights of liberty and freedom to every citizen, granting us clear-cut legal justification and guidelines to, in his words, "abolish" the illegitimate treasonous regime occupying Washington today. Taking into account the US government's repeated terrorist acts constituting [democide](#) against its own American citizenry as well as having committed acts of war against US closest allies like Germany via the [Nord Stream](#) sabotage, the Biden regime's intent to destroy both America and West must be opposed immediately.

A growing majority of Americans disapprove of

Biden's job performance as imposter president, more so than any previous president in US [modern history](#) during the entire [78 years](#) of presidential poll ratings. After the US Supreme Court [declined](#) the Brunson case out of Utah last month for a second time this year, the longshot effort to hold the vast majority of Congress accountable for illegally ratifying a fraudulent, rigged 2020 election has been thwarted. All three branches of government – the executive, legislative and judiciary, have systemically failed Americans by repeatedly violating the US Constitution in clear breach of their sworn oaths to uphold and defend. All three branches have committed treason for destroying our nation through reckless, willful crimes endangering both the American as well as global population, targeted for extermination by the elites. Nuremberg 2.0 needs to immediately be invoked for mass tribunal trials of multitudes of genocidal traitors determined to impose their diabolical, exposed depopulation agenda on humanity.

The assassination of [John F. Kennedy](#), the president that vowed to “splinter the [CIA](#) into a thousand

pieces,” reduce the power of the [Federal Reserve](#) and avert a decade long costly war in [Vietnam](#), set the stage for the Deep State to fester and thrive ever since November 22, 1963. Every US president ever since has been a mere puppet for bloodline controllers to rape the earth and humanity in the name of the military industrial security Big Pharma complex. In this century the Khazarian mafia infested and controlled international criminal cabal manufactured their “new Pearl Harbor” [9/11](#), an Israeli-neocon grand Satanic blood sacrifice after the prewritten Patriot Act straight out of the dialectical “problem, reaction, solution” con-game playbook intended to strip away all Americans’ constitutional rights, a lose-lose our less freedom for less security and win-win for the Satanists, thinly disguised as collateral damage behind their fabricated war on terror against Muslim terrorists they [create](#), train and finance as fake proxy war US enemies, supplementing their ongoing “[war on drugs](#)” to destroy African American families for the prison security complex, then when convenient again switch the revolving “enemy” back to the Russians and Chinese in Cold War #2 to drive

humanity off the Armageddon cliff with today's nuclear [World War III](#) countdown.

And now along with the threat of a mushroom cloud, their enemy target today expands to a genocidal war against the entire human species with their fake pandemic/killer jab's malevolent agenda to destroy national sovereignty via the United Nations' [World Health Organization](#), subversively imposing more fake or deadly health emergencies possessing an unlimited bioweapon arsenal bringing more draconian lockdowns, more killer mandates, along with their 15-minute [smart cities](#) control grid prison enslavement, planetwide mass surveillance, Chinese modeled social credit scores freezing dissidents' bank accounts requiring digital ID approval and cashless World Bank Digital Currency, all part of their "Great Reset."

The globalists' wet dream is our never-ending nightmare of absolute myopic control over the culled down, beaten down, traumatized, lobotomized population of jabbed, DNA altered, group hived, AI mind-controlled cyborg survivors. This is our bleak Lucifer controlled future if we remain weak, passive,

defeated and ignorant. Activism is growing in a planetwide movement protesting against the Ukraine debacle along with the price inflation, smart cities and World Economic Forum's enslavement. Legal challenges against the technocratic tyranny, the genocide, the wokist insanity. Our enemy is on notice and no doubt will be unleashing more false flags and WMDs at us, but the momentum of growing resistance and opposition is mobilizing for the long war.

Joachim Hagopian is a West Point graduate, former Army officer and author of "[Don't Let the Bastards Getcha Down](#)," exposing a faulty US military leadership system based on ticket punching up the seniority ladder, invariably weeding out the best and brightest, leaving mediocrity and order followers rising to the top as politician-bureaucrat generals designated to lose every modern US war by elite design. After the military, Joachim earned a master's degree in Clinical Psychology and worked as a licensed therapist in the mental health field with abused youth and adolescents for more than a quarter century. In Los Angeles he found himself

battling the largest county child protective services in the nation within America's thoroughly broken and corrupt child welfare system.

The experience in both the military and child welfare system prepared him well as a researcher and independent journalist, exposing the evils of Big Pharma and how the Rockefeller controlled medical and psychiatric system inflict more harm than good, case in point the current diabolical pandemic hoax and genocide. As an independent journalist for the last decade, Joachim has written hundreds of articles for many news sites, like [Global Research](#), [lewrockwell.com](#) and currently <https://jameshfetzer.org>. As a published bestselling author on Amazon of a 5-book volume series entitled [Pedophilia & Empire: Satan, Sodomy & the Deep State](#), his A-Z sourcebook series exposes the global pedophilia scourge is available free at <https://pedoempire.org/contents/>. Joachim also hosts the [Revolution Radio](#) weekly broadcast "Cabal Empire Exposed," every Friday morning at 6AM EST (ID: revradio, password: rocks!).
