**- If The WHO Gets Their Way, We Soon Might Not Have The Choice To Get Vaxxed Or Not!**

[By Stefan Stanford - All News Pipeline](#)  
[- Live Free Or Die](#)

One alarming story this morning comes to us from the Daily Mail and reports a

21-year-old offensive lineman from the Air Force football team has passed away after a medical emergency, and while that story doesn't give us a reason why with an investigation being launched by the Air Force, all of the [top-voted comments](#) on the story tell us the most likely reason why.

As the top-voted comment by more than a 20 to 1 margin pointed out, ***"Young men dropping like fly's. Let me guess, myocarditis?"*** With the #2 voted comment by a nearly equally margin pointing out, ***"Unprecedented numbers of very young people dying suddenly and unexpectedly. But I'm sure it has nothing to do***

***with that totally safe experimental vaccine everyone's been forced to get,"*** we're going to be taking a look within this story at the scientific reason why so many young people are not only dying suddenly while during sports competition, but dying suddenly and without warning in their sleep, and quite often, dying just before dawn.

This past week has brought us numerous heartbreaking stories from across America of young and '*healthy*' people dying suddenly and without any warning signs at all and with the next top-voted comment on that story pointed out "***Let me take a stab at what happened...forced jab.***

*Disgusting. RIP young man,"* the next comment hit the nail right on the head: ***"What. Have. We. Done?"***

Well if you were to ask former Ronald Reagan Assistant Secretary of the Treasury Paul Craig Roberts *'what they have done'* he'd tell you bluntly, ***"the COVID vax is an intentional effort at world genocide."*** Reporting that never before in US history have we seen so many deaths following a 'vax,' especially deaths of children, young adults, athletes in their prime and entertainers just dropping dead *"cause unknown"* following a vax, **[this new story over at Dr. Paul Elias Alexander's Newsletter](#)** tells us the most likely

reason why.

**Titled *"Dying just before dawn' due to catecholamine surge signally it is time to wake (rise); same happens in physical exercise as well as waking from sleep & heart damaged by myocarditis due to vaccine or infection is at risk to this dopamine, epinephrine surge (exercising or waking from sleep),"* Dr. Alexander reports [Dr. Peter McCullough has written about this](#) as a cardiologist and expert and has some very alarming words as a heart expert. [From that story](#) we see why so many young Americans are dying just before dawn.:**

*In simple:*

*i) when people — especially young people — die in their sleep the underlying cause is often myocarditis.*

*ii) Myocarditis, which is inflammation of the heart, can lead to irregular heart rhythms that can be lethal without immediate treatment.*

*iii) counterintuitive as it may seem, sudden deaths that happen during sleep are biochemically similar to the sudden deaths during or just after vigorous exercise.*

*iv) because of a surge in catecholamines during the end of the sleep cycle. This natural biochemical change is the body's signal to wake*

*up.*

*v)Catecholamines (dopamine, epinephrine, and norepinephrine) are hormones that are made by the adrenal glands. They are released into the body in response to physical exertion or emotional stress. But they are also released during sleep, just before waking, as a signal to the body and the brain that it is time to get up.*

*vi)Catecholamines can increase our heart rate, blood pressure, and breathing rate.*

*vii)A surge in dopamine, epinephrine, and norepinephrine, even if the surge occurs during sleep or during exercise, can cause stress and duress to the*

*heart and can cause it to beat arrhythmically.*

*viii) We are arguing it is very likely the case that when a child or teen or young person has a heart damaged by infection or the COVID gene therapy injection (as well as via other causes), then the rapid elevation and spike in dopamine, epinephrine, or norepinephrine can be catastrophic. It can be lethal and cause death.*

*McCullough likens this to a phenomenon where people are dying 'just before dawn'. He argues that this is more probably due to undiagnosed or asymptomatic vaccine-induced myocarditis where there is residual*

*scarring (death) of heart muscle cells  
etc. These cells do not replenish.*

***ix) Myocarditis is very serious particularly because it is often 'silent'. As such, if the heart muscle is scarred due to a bout of myocarditis post mRNA COVID injection, and the situation is silent, asymptomatic, and the young person is not warned that they cannot exert themselves post myocarditis bout, and they then go on to exercise, then this can cause a catastrophic failure in the heart. The surge in dopamine, epinephrine, and norepinephrine (Catecholamines) can cause extreme stress on the heart and***

*remember, there is scarring so there is dead non-functional heart myocardial cells/tissue/muscle. **The result can be sudden death. You can and some do die in their sleep just before dawn as the call to rise mirrors exercise and exertion in terms of catecholamine surge.***

So while we here at ANP are NOT medical doctors, nor are we offering medical advice, we are more than willing to report this information that is being highly censored, kept away from the American people by our own '*mainstream media*' and by the '*big pharma mafia*' that created this '*kill shot*'.

*(ANP FUNDRAISER: First of all, ANP wants to thank everybody who recently donated to ANP during our emergency fundraising drive. You absolutely amazing people got us out of a huge mess due to heavy censorship by 'big tech' upon ANP articles, so HUGE THANK YOU'S go out to everybody who recently donated as well as to everybody who has [donated to ANP](#) over the years. With donations and ad revenue all that keep ANP online, if you're able, please consider [donating to ANP to help keep us in this fight for America's future](#) at this absolutely critical time in US history. During a time of systematic, 'big tech' censorship and widespread institutional corruption,*

*truth-seeking media and alternative views are crucial, and EVERY little bit helps more than you could know!)*

As former Reagan Assistant Secretary of the Treasury [Paul Craig Roberts warns in this story](#), the 'vax effort' is nothing but an attempt at global genocide happening at a time when the globalists believe our world is vastly overpopulated and that to 'sustain' the masses, it'll also have to get rid of a whole lot of people.

Reporting that in many of these cases,

such as the recent [death of a 17-year-old in Ohio](#) who died from a heart attack, the causes are being ruled as '*unknown*,' anybody who's paying the least bit attention knows that all of these '*sudden and mysterious deaths*' didn't start up until the vax was rolled out.

Warning also that *people all over the world are so stupid and so blindly trusting of authority, we can see why the Satanic Bill Gates and Satanic Klaus Schwab are confident that they can succeed in reducing the world population and effecting their Great Reset*, we here at ANP have argued time and again that if Gates and

Schwab and the globalists are so set on *'reducing the global population,'* they should show the rest of the world how it's done and start off with their lousy selves. [From that story](#)..:

***Never before have there been massive excess deaths following vaccination.***

*Never before have there been children, young adults, athletes in their prime, entertainers, dropping dead “cause unknown” following vaccination.*

*Of course, the cause is known. The leading doctors and medical scientists of our time—which excludes health agency bureaucrats, such as Fauci, who serve as marketing agents for Big*

*Pharma and corrupt, politicized state medical boards and HMOs—have explained why and how the mRNA “vaccines,” which are not vaccines, kill, destroy the immune system, and cause health injuries. What is not known is why some die immediately after receiving the deadly substance, others a month later, and others remain, so far, alive. Some researchers think the content of the “vaccines” differed by lot, and some think some of the jabs were placebos for the purpose of producing an uninjured cadre to tout the safety of the jabs.*

[Professor Michel Chossudovsky has collected here](#) **a number of videos**

***documenting the widespread sufferings and deaths of the vaccinated. It is not the unvaccinated who are “mysteriously” dropping dead all over the world. It is the vaccinated. Yet the coverup continues.***

***The western media—a collection of whores—are at work covering up for themselves as well as for Fauci, Biden, Bill Gates, Big Pharma, the FDA, NIH, CDC, and the utterly corrupt and irresponsible medical profession. Big Pharma and the FDA continue to push jabbing babies with the killer vaccine, and there are still parents so utterly stupid and***

***insouciant that they participate in the murder of their own children.***

Yet while we, thankfully, have the 'choice' now about whether we want to get vaxxed or not, with the choice to quit our jobs possibly our best alternative, we may not soon have that choice if the World Health Organization gets their way as we'll explore in the final section of this story below. And knowing how I fought as a young child against a forced vax after I was left unable to walk for several weeks after a previous one tells you just how hard I'll fight to make sure I don't get '*forced vax*' with their '*kill shot*'. '*My body, my choice,*' isn't that what you say,

liberals?

As Kathleen Gotto had reported in [this ANP story](#) back on December 20th of

[2022](#) titled *"As The Globalists Show Us The Script For Their 'Next Pandemic,' The Release Of Their Next Bioweapons Are Dead Ahead Considering All Hell Broke Loose Just Months After Event 201 - Bill Gates And The WHO Just Held More 'Exercises' Simulating The Annihilation Of Mankind,"* if the past is any indication, we can already see the next '*pandemic*' to hit us.

With Gates and the globalists holding '*exercises*' in which they foresaw a pandemic in 2025 that would consist of severe respiratory illnesses in young children and younger people, we should remember that back in October

of 2019, they held the '*Event 201 exercises*,' which preceded COVID by mere weeks.

So now, with not enough people taking their '*kill shot concoction*,' especially after the people finally started to awaken and realize those shots aren't doing them any good what-so-ever, they've got to unveil a new '*scheme*' to get more people to take their shots with Gotto warning bluntly of what they're calling for, *bold and decisive actions*, against the '*next pandemic*'.:

*In considering why the 2025 date was used, a few things come to mind. One is that it is a date far enough in the future to dissuade any immediate*

*analysis of it. Another more likely thought is that **the globalists need two years to prepare the groundwork for the net result of a 2025 extremely deadly pandemic.***

***A new, more deadly and contagious virus would need to be perfected if it is not already. The globalists would need to plan for mass inoculation against the new bioweapon they have created. They would likely need to round up dissenters (decisive and bold action?) and have “holding centers” available for what could be large numbers of people who will see what is really happening and will resist.***

*The globalists would be better equipped to enforce their dictates and control the populace if Central Bank Digital Currency is rolled out nationally by then in order to levy complete financial control over people. **They would probably have vaccine passports rolled out by 2025 to complete their control over a global population.***

And as we mentioned briefly above, the globalists and the WHO are planning on doing just that, holding '*secret meetings*' now to take away the '*health rights*' of Americans and people all across the world and make us all subject to their '*health dictates*' as also

heard in the final video at the bottom of this story.

So who reading this is ready to turn over their own, personal health decisions to a global government body that obviously isn't paying attention to the disastrous vax rollout, unless they actually WANT young people to be dying as quickly as they are in 2022/2023? Yeah, we won't do that, either.

Each of the videos below take a look at one aspect or another of this story, with the 1st video below from Mike Adams taking a look at their decoding of the luciferian globalists playbook to '*exterminate*' the human race while Dr.

Jane Ruby in the 2nd video warns us there are now dead bodies all over the place. With Dr. McCullough warning in the 3rd video that twitter actually HID the truth from the American people to prop up Pfizer's stocks, we hear more about those secret WHO meetings in the final video below.
