## Facts about C-Band:

C-band is a designated by IEEE (Institute of Electrical and Electronic Engineers) range of satellite frequencies that TV, government and radio channels use to transmit to ground-based larger satellite dishes, ranging from 4-8 GHz. In the United States, C-band is within 3.7-4.2 GHz (as determined by US FCC).

- Nuclear Fusion facilities and Particle Accelerators use high-power C-band RF sources to power their experiments (3.7, 4.6, 5.996 and 5.713 GHz)

- 4.2-4.4 GHz is allocated to the Aeronautical Radio navigation Service (ARNS) worldwide to be use exclusively for radar altimeters installed on-board aircraft and ground-based transponders.

- In February 2020, The FCC adopted rules for C-Band at 3.7-4.2 GHz that allocated the lower 280 megahertz of the band, at 3.7-3.98 GHz, for terrestrial wireless use. Existing satellite operators will have to shift operations to the upper 200 megahertz of the band from 4-4.2 GHz

- In December 2021, Boeing and Airbus called on the US Government to delay the rollout of C-Band due to possible interference with aircraft instruments. January 18th, 2022, Verizon and AT&T announced that they would delay the 5G C-Band rollout near airports in response.

# International Airlines cancel flights to the US due to Dangerous US 5G rollout.

Tim Clark, president of Emirates Airlines canceled flights because of US 5G rollout issues:

“We were not aware that the power of the antennae’s in the United States have been doubled compared to what is going on elsewhere, and the antennae’s themselves have been put into a vertical position rather than a sideways position.”

Since graphene oxide is activated by EMF, you want to create a protective barrier in your immediate environment that mitigates the EMF so that it does not activate the graphene oxide.

- Don't live near towers crowded cities
- Turn off Wifi at night
- Don't use smart meters or smart appliances
- Use orgone energy devices to clean up the EMF in your environment

# EMF ELECTRICAL POLLUTION AND THE FLU – A HISTORY

## Flu-viruses, pandemic and electromagnetic radio and microwave radiation connections:

In *The Invisible Rainbow*, Firstenberg traces the history of electricity from the early eighteenth century to the present, making a compelling case that many environmental problems, as well as the major diseases of industrialized civilization—heart disease, diabetes, and cancer—are related to electrical pollution.

# LETHAL DOSE EXPERIMENT VACCINES AND 5G ROLLOUT

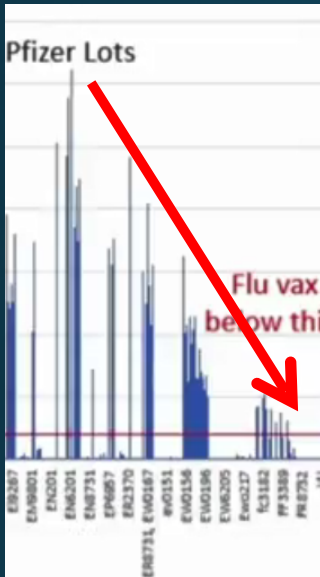

The following analysis is a comparison of research done by Team Enigma on Covid Vaccine batches, a presentation by former Pfizer Chief Scientist Dr. Mike Yeadon in front of the Corona Committee, an explanation by Dr. Lee Merritt former President of the Association of American Physicians and Surgeons, and a presentation done by Dr. Sandra Vranic from the Nanomedicine Lab Faculty of Medical and Human Sciences & National Graphene Institute University of Manchester.

Using VAERS data, Team Enigma matched up vaccine batch or lot numbers to the number of adverse reactions.

# LETHAL DOSE EXPERIMENT VACCINES AND 5G ROLLOUT

## ALARMING FINDINGS:

**DOSE RESPONSE CURVE.  
PREMEDITATED MASS MURDER  
BY THE PHARMA COMPANIES.**

-Not all vials (per brand) have the same stuff in them. Some have very lethal dosages, others have saline or placebo, some are in between. They have the quality control to manufacture billions of consistent doses (per Dr. Yeadon's expert testimony) which they did not adhere to. This was done intentionally by the companies who then lied to the public about it, gaslighting billions of people into taking the injections. "I took it and I'm fine, so you should take it too because it's the same thing, you'll be fine too".

-The batch data shows a coordinated release of each vaccine company, meaning that they were working together and collaborating on this and were not working independently. (per Dr. Merritt's expert testimony)

-The Pfizer batch release on the chart shows a "dose response curve", meaning they would release a very toxic batch see what it does, then release a placebo, then release a less toxic batch, then a placebo, then a less toxic batch... (per Dr. Merritt's expert testimony) The intention is to find out how much poison they can inject into people before it kills them. This dose response curve in the data shows premeditated mass murder by the pharma companies.

This pattern mirrors an experiment that was done in 2016 where they were trying to find out how much graphene oxide they can put into a person before it kills them. (covered this in our last show)

## 5G LETHAL DOSE EXPERIMENT HYPOTHESIS

OOKLA 5G Networks Coverage Map

Our 5G rollout hypothesis is that they will be experimenting on the population in the same pattern that they have been shown to do with Graphene Oxide experiments and the Covid injections.

They WILL NOT turn on all frequency bands at the same time. They will fluctuate the amount of frequencies emitted in a controlled experiment in various locations based on criteria that we do not have access to.

Testimony sent in by a listener: (name and location redacted)

This mans son is a dispatcher in a small Midwest town population 4,000. Normally he gets about one call a night between 6pm-7am which is usually just a drunk doing something stupid or something small like this. On the evening when they turned on the 5G in his town, he got 5 calls. 5 People in different locations all collapsed at the same time. They had to be medevac'd out and luckily they survived. This is what happened when they turned on the 5G in this town.

# IS THERE A VIRUS? VIROLOGY FRAUD DEBATE.

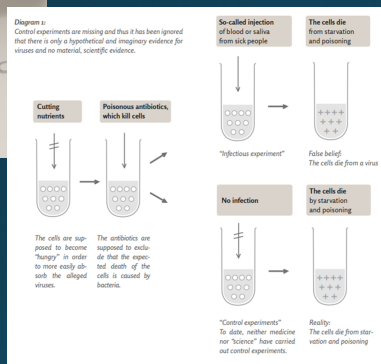

For the first time in history, a world renowned virologist Dr. Stefan Lanka ran a three phased controlled experiment that proved that the way the establishment is claiming to “find viruses” in people is a fraud.

## THE FINAL REFUTAL OF VIROLOGY:

"The first sensational news has arrived. The control tests, which Dr. Stefan Lanka commissioned in a laboratory, confirm that the claimed cytopathic effect, which is regarded by all virologists as evidence for SARS-CoV-2, is refuted.

The laboratory confirmed that this effect is not VIRUS-SPECIFIC and therefore cannot and must not be claimed as evidence of a disease-causing virus.

The central effect, the death of tissue cells in the test tube, is achieved in the same way without any infected material."

## IS THERE A VIRUS? VIROLOGY FRAUD DEBATE.

The “Sars-Cov-2 Virus” that is the official reason for this pandemic, only exists in the form of an “Insilco computer model” or computer sequence simulation. The real “virus” (meaning it was taken from a sick person and isolated to show that it indeed does exist and this virus is what is causing people to get sick) does not exist outside of a computer sequence.

Freedom of information act requests were sent to 159 of the world's top health officials, health authorities and agencies, virology labs and universities asking them to provide proof that the virus exists. None of them were able to provide proof. Even the CDC openly admits that their PCR test does not look for and cannot detect Sars Cov 2 because they have possession of no such thing outside of a theoretical computer model.

From the CDC WEBSITE

The analytical sensitivity of the rRT-PCR assays contained in the CDC 2019 Novel Coronavirus (2019-nCoV) Real-Time RT-PCR Diagnostic Panel were determined in Limit of Detection studies. Since no quantified virus isolates of the 2019-nCoV were available for CDC use at the time the test was developed and this study conducted, assays designed for detection of the 2019-nCoV RNA were tested with characterized stocks of in vitro transcribed full length RNA (N gene; GenBank accession: MN908947.2) of known titer (RNA copies/ $\mu$ L) spiked into a diluent consisting of a suspension of human A549 cells and viral transport medium (VTM) to mimic clinical specimen. Samples were extracted using the QIAGEN EZ1 Advanced XL instrument and EZ1 DSP Virus Kit (Cat# 62724) and manually with the QIAGEN DSP Viral RNA Mini Kit (Cat# 61904). Real-Time RT-PCR assays were performed using the Thermo Fisher Scientific TaqPath™ 1-Step RT-qPCR Master Mix, CG (Cat# A15299) on the Applied Biosystems™ 7500 Fast Dx Real-Time PCR Instrument according to the CDC 2019-nCoV Real-Time RT-PCR Diagnostic Panel instructions for use.

IS THE COVID VIRUS  
NOTHING MORE  
THAN A  
THEORETICAL  
COMPUTER  
SIMULATION?

## IS THERE A VIRUS? VIROLOGY FRAUD DEBATE.

THESE DOCTORS (AND OTHERS) HAVE BEEN “GOING VIRAL”  
DEBUNKING THE EXISTENCE OF A REAL VIRUS.

“What’s most important here is that we are all being held hostage, we are having our rights taken away, and all of it is being done with the intent of pushing this experimental technology they call a vaccine upon us. We can see reports already of “mutating viruses”, and second and third waves. As long as we embrace this false virus paradigm that viruses are particles that cause disease from the outside, we are going to be vulnerable to the “next pandemic” and the next one after that, and the next one after that, just like all the ones that came before it that were all fake in just the same way. We have to destroy this paradigm of “viruses that cause disease” because this is the bogymen and this is what is causing the fear and panic that is allowing us to be manipulated.

Dr. Kaufman

While other Doctors hold to their medical establishment beliefs that the virus does exist. More information and references in show notes.

# THE ROCKEFELLER MEDICAL ESTABLISHMENT AND THE FLEXNOR REPORT

(understanding the medical training and why hospitals are the new “death ovens” of the plandemic holocaust)

In the 1800's society sanctioned two approaches to healing: Allopathic and Homeopathic.

Allopathic= barbaric aggressive practices like blood letting to “drain out bad humors”, huge doses of toxic minerals like mercury and lead to “displace the disease”, and surgery BEFORE THERE WAS ANESTHESIA AND INFECTION CONTROL.

Homeopathic= used herbs and natural ingredients to assist the body in healing itself.

Since most people were afraid of being murdered by allopathic doctors, the homeopathic doctors made all the money. The allopathic doctors formed the American Medical Association (AMA) in order to try to take out their competition of homeopathic doctors.

At the turn of the century new HIGHLY PROFITABLE medical treatments were discovered: anesthesia for surgery, radiation therapy, and patented pharmaceuticals. This caused the fortunes of the Elite families: CARNEGIE, MORGAN, AND ROCKEFELLER to invest in the AMA and transform medicine into a profitable industry, creating the first hospital system.

It was all based on profit. Ironically, Rockefeller himself only used a homeopathic doctor while he was investing in allopathic medicine.

# THE ROCKEFELLER MEDICAL ESTABLISHMENT AND THE FLEXNOR REPORT

(understanding the medical training and why hospitals are the new “death ovens” of the plandemic holocaust)

## FLEXNOR REPORT

In 1910 the Flexnor report was published. Backed by tremendous fortune and profit, the Flexnor Report changed the educational standards and licensing requirements to exclude naturopathic knowledge. Soon, only AMA licensed doctors could legally practice medicine. All naturopathic doctors were put out of business. All the knowledge of natural healing was banned from being taught in medical schools. Within only 20 years, the AMA began to dominate medical practice. They started making a list of homeopathic doctors to slander and smear, which quickly grew to 300,000 names. The Fitzgerald report to congress named at least a dozen other treatments to heal cancer put forward by naturopath doctors. They were all blocked by organized medicine, panels of surgeons and radiation therapists.

# CIRCUITRY AND MICROTECHNOLOGY THAT SELF ASSEMBLES WITH EMF FOUND IN THE PFIZER VACCINES

Ricardo Delgado from La Quinta Columna discusses what they found in the Pfizer Vaccines, its CIRCUITRY AND MICROTECHNOLOGY. When the hydrogel in the vaccine dries it forms these images under the microscope. The edges form perfect squares, and it appears to have circuitry much like a circuit board. In several of the formations they have the same central square chip that looks like a CPU (central processing Unit). In these reports and videos the formations are shown to self assemble when stimulated with EMF.

## ENGINEERING PERSPECTIVE HOW WERE THESE MICROCHIPS MADE?

- Embedded CPU
- vibrating needles
- extremely expensive equipment
- only a few labs in the world could make this

This narrows down how many companies and countries were involved in the creation of this, which also means they had to collaborate with each other in order to cover this up.

## BOMBHELL: German Doctors Find 'Astonishing' Impurities in Covid 'Vaccine' (Video)

Renee Nal January 8, 2022 21 comments 13 min read

Since the initial discovery by La Quinta Columna, other teams of scientists from around the world have been replicating the work and finding the same things in the shots.

This presentation shows a mechanically constructed object in the Pfizer vaccine. The machine is moving itself in the fluid.

The same types of object were also found in the J&J shots.

## IMPORTANT DISCLOSURE STATEMENT

What the average person may not know is that the research required to find these substances in the Covid injections is not easy and involves great risk. Scientists have been threatened and censored in order to bring you these images.

The following are the most recent findings by a team of scientists in New Zealand showing nanotechnology in the Pfizer shots. It is to date the most alarming photos we have seen. Within 24 hours the website and videos have been censored off the internet. Luckily an archive was created before they took it down.

Shapes and objects were found in the Pfizer shots, after exposure to heat and time and EMF, these shapes SELF ASSEMBLED into microchip circuit boards.

These images show the vaccine mixed with human blood. When the vaccine meets up with human blood the white blood cells were annihilated and the red blood cells are heavily damaged.

## FRENCH BLUETOOTH TEST ON VACCINATED IN A FIELD

A French research team stopped random volunteers in a park. Separated them into groups of vaccinated and non vaccinated. They were then tested with their laptops Bluetooth and the vaccinated were registering an unnamed mac address as each were called near from the field.

## BLUETOOTH CHALLENGE VIDEOS

Normally Bluetooth devices have a name on them. But now when you go into a crowded room full of vaccinated people all of these anonymous Bluetooth addresses show up on your phone. Bluetooth challenge videos are popping up everywhere.

Genetically modified *Hydra Vulgaris* organisms were found in the Covid vaccines. By Dr. Carrie Madej and Dr. Franc Zalewski. It was also found that dormant *Hydra* egg's contained in the vaccine become active, grow and multiply when exposed to graphite tape and heat. Graphene Oxide acts as "miraclegro"

# HYDRA = LOSING OUR HUMANITY

God's order: "According to its kind" God made the beasts of the earth after their kind, and the cattle after their kind, and everything that creeps on the ground after its kind; and God saw that it was good.

(From Research of Dr. Ariyana Love from Finland)

Hydra Vulgaris= a fresh water organism that has been genetically modified that is being used in the vaccines to carry a variety of programmed synthetic gene sequences and messenger RNA and merge this with human DNA. This process is called transfection. It is essentially the rewiring and control of the ancestral circuitry of human beings.

These genetically modified Hydra's have been produced in a lab at the University of Kiev. They have been modified in many different ways to produce almost 200 different "lines" of Hydra's. Some of the Hydra genes have been merged with different toxic bacteria's and Luciferase. CRISPR/Cas9 technology is what they are using to re-code your DNA.

Why are genetically modified Hydra's being injected into humans in the vaccines?

## SELF ASSEMBLING MICROBUBBLES OF GRAPHENE FOUND IN COVID VACCINES

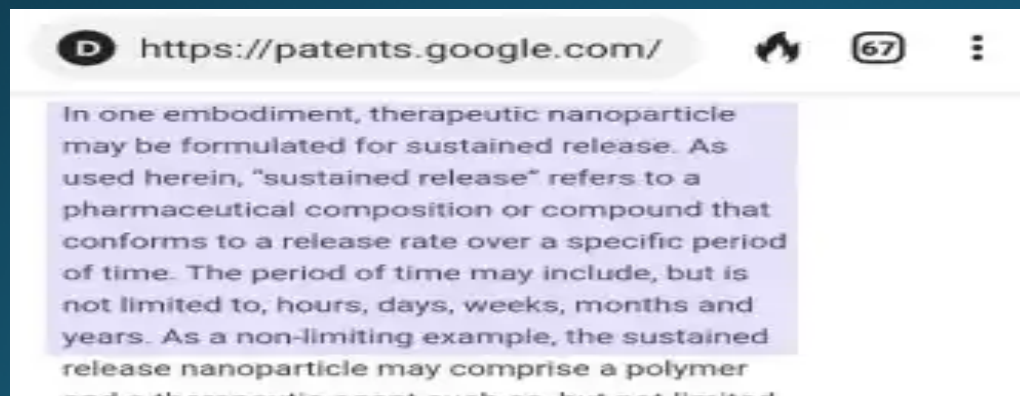

Found by Dr. Zandre Botha from South Africa while viewing one drop of covid vaccine through a microscope.

“Microbeads”, “Microspheres”, “Microbubbles” listed as active ingredients in the Pfizer patent and the Moderna patent.

Made from Graphene Oxide. They are coated with gold nanoparticles and are used for “scaffolding” new DNA based tissues inside the human body.

They interlink by electrodes and can self replicate via electrical pulses. They are used to deliver drugs or a payload over a period of time, which can be over days, weeks, months or years as the Moderna patent specifies.

# CRISPR Cas/9 GENE EDITING TECHNOLOGY LAUNCHED BY COVID COVER STORY

The screenshot shows a web browser displaying a news article from the UC San Diego News Center. The article is dated January 23, 2019, and is written by Mario Aguilera. The main headline is "UC San Diego Researchers First to Use CRISPR/Cas9 to Control Genetic Inheritance in Mice". Below the headline is a sub-headline: "Technology offers powerful new genetic tools for human disease research in rodents". The article text begins with "Biologists at the University of California San Diego have developed the world's first CRISPR/Cas9-based approach to control genetic inheritance in a mammal." and continues with "Scientists around the world have been using CRISPR/Cas9 in a variety of plant and animal species to edit genetic information. One approach to editing the genome can control which of the two". A photograph of two women in a laboratory setting is visible. To the right of the article, there is a "MEDIA CONTACT" section for Mario Aguilera, with contact information: 858-822-5148 and maguilera@ucsd.edu. Below that is a "RELATED LINKS" section with a link to "Biological Sciences".

CRISPR/CAS9 is Gene editing technology.

BIG BREAKTHROUGH occurred just months before Covid was “discovered in Wuhan”. For the first time they were able to get the technology to pass down genetic traits from mice to their offspring, and their offspring's offspring. Now that their Frankenstein creation was ready, all they needed was a way to get this technology injected into every human on the planet. Enter the Covid Plandemic and the Covid Injections.

# REVIEW: FROM OPERATION WARP SPEED EXPOSED

“VACCINE CZAR” Moncef Slaoui

**NEW YORK POST**

**THE WALL STREET JOURNAL**

During these interviews he disclosed two VERY DISTURBING bits of information.

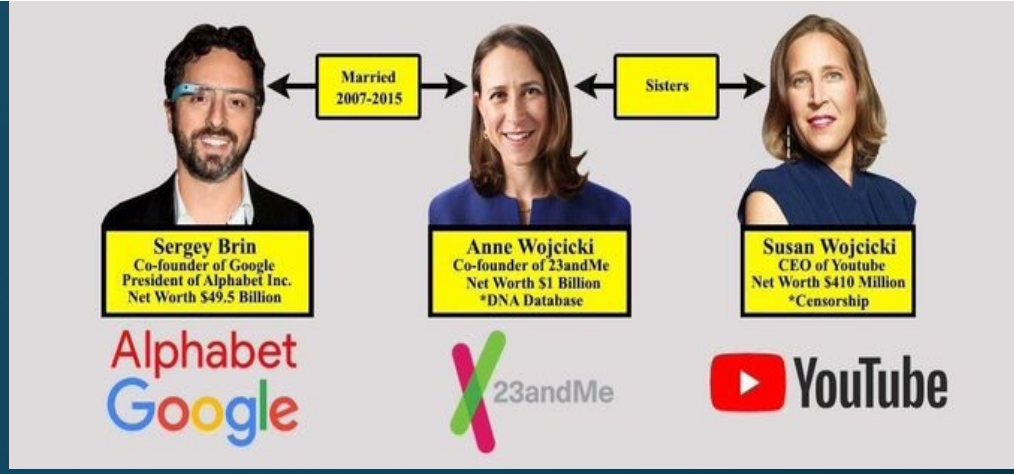

1) Millions of Americans who receive the vaccine will be tracked via an “incredibly precise pharmacovigilance surveillance system” that will track the vitals and whereabouts of Americans who receive the Warp Speed Vaccine.

2) Google and Oracle have been awarded the Defense Contract to track and trace Americans who receive the vaccine.

BIG TECH GOT THE DEFENSE CONTRACT TO COLLECT DNA AND TRACK AND TRACE EVERY AMERICAN WHO GETS THE COVID VACCINE

5G ROLLED OUT AT "WARP SPEED" DURING ENTIRE COVID PANDEMIC WHILE EVERYONE WAS LOCKED IN THEIR HOMES AND FORBIDDEN TO PROTEST.

The main headline reads "5G rollout advances despite pandemic, but hazards loom". # PURPOSE OF FRAUDULENT PCR TESTS IS TO COLLECT AND SELL YOUR DNA

We know from the inventor of the PCR test that these tests are not supposed to be used to diagnose any disease.

We know that over 90% of PCR tests produce false positives.

SO WHY ARE PCR TESTS REQUIRED?

Cignpost caught selling at least 3 million DNA samples via covid test swabs to third parties.

The real purpose of the PCR test is to collect DNA. This DNA is used by "third parties" that are undisclosed.

The DNA is then analyzed to collect data on humans, and see results of gene editing from the CRISPR technology deployed in the injections.

# WHY AM I SICK? SHEDDING TRANSMISSION AND PROTECTION

Expect Flu Like Symptoms from EMF Pollution and “shedding” from vaccinated individuals.

Set of symptoms branded as “Covid”: fever, headache, loss of taste and smell, achy joints, extremely fatigued.

We know that Vaccinated people are getting sick because of the poison that is in the vials.  
But how are unvaccinated people getting sick, what are they coming down with if there is no virus?

## EMF Pollution / Radiation Sickness

-more 5G radiating the public

-more satellites launched during the pandemic

## “shedding” or “transmission” from the vaxxed

-studies and reports show that something is indeed being spread from vaxxed to unvaxxed.

-billions of people vaccinated with nanotech that emit a signal are adding to the radiation in the atmosphere. People are the new cell towers.

## VACCINATED PEOPLE MAKING THE UNVACCINATED SICK

We covered shedding and transmission from the vaccinated in depth in our presentation in May 2021. We believe that the sickness that is being transmitted from the vaccinated to the unvaccinated is being transmitted on an energetic level via the morphogenic field. We showed examples of how this works in our May presentation.

Documentation that shows knowledge and intent of the vaccine manufacturers to promote the shedding of vaccination symptoms to the unvaccinated.

John Hopkins- Self Spreading Vaccines

Pfizer documents admit that the experimental mRNA trial subjects are *Super Spreaders* who transmit disease to the unvaxxed. During Pfizer's clinical trials it's cleverly termed "occupational exposure".

# HOW TO PROTECT YOURSELF

## #1 CLEAN UP TOXIC EMF ENVIRONMENTS AROUND YOU

Since the transmission of sickness is happening through the morphogenic field, there are things you can do to clean the morphogenic field, or change and clean up the energy. Our orgonite products are based on scientific data that shows the unique ways in which they work.

We use shungite, iron oxide, steel, quartz, and brass powders, mixed in an epoxy resin. This process when cured creates a piezoelectric effect which passively pulses out the energy effects of the blended ingredients. Creating a field called orgone energy. Just shungite alone is used to clean up EMF and nuclear radiation, the blend of all of these ingredients is what creates the orgone energy field that gently pulses out from the formed object.

The end result is a harmonizer that is able to transform the harmful wireless fields from; cell towers, smart meters, smartphones, internet router and your television, into more beneficial energy for you and your plants and pets.
