Through The 10 Stages Of
Genocide Under Führer Joe
Biden And Tyrannical**

Democrats, Doctors Warn We're About To See One Of The Biggest Die-Offs Of All Time

According to Genocide Watch, the 10 stages of genocide are the following.:

- 1 Classification
- 2 Symbolization

- 3 *Discrimination*
- 4 *Dehumanization*
- 5 *Organization*
- 6 *Polarization*
- 7 *Preparation*
- 8 *Persecution*
- 9 *Extermination*
- 10 *Denial*

As that website reports:

Genocide is a process that develops in ten stages that are predictable but not inexorable. At each stage, preventive measures can stop it

(ANP: As we'll see below, the 2nd Amendment and 10's of millions of VERY WELL ARMED Americans IS a

'preventive measure!'). The process is not linear. Stages occur simultaneously. Each stage is itself a process. Their logic is similar to a nested Russian matryoshka doll.

Classification is at the center. Without it the processes around it could not occur. As societies develop more and more genocidal processes, they get nearer to genocide. But all stages continue to operate throughout the process.

Also warning of the 'classification process' that ALL cultures go through them, the 'dividing' of people into the categories of 'us' and 'them,' we see stage 1 of the 'process' of genocide

has long been going on here in America, with even Joe Biden himself taking part in the '*demonization*' of Conservatives and Independents and anyone who doesn't go along with the left's satanic agenda.

And as that [Genocide Watch entry](#) also warned, with ***the 'classification' of future 'victims' the KEY to 'genocide,'*** with all the other 'processes' happening simultaneously, ***that would mean stages 7 through 10 are also already happening here in America*** under Joe Biden and the left: Preparation; Persecution; Extermination; and Denial. And with '*denial*' long heavily evident with

'government' lying to the American people for decades and decades now, hence their mouthpieces, the MSM, having an absolutely horrid 34% trust record amongst the American people in 2022 according to Gallup.

And while most would say that America hasn't quite yet gotten to the '*out in the open and blatant stage*' of government sponsored and carried out mass murder like we've seen numerous times in the past, with a massive die-off like nothing we've seen in our lifetimes happening here and now due to the vax, and much more to come in the near future if medical experts are correct as heard in the videos at the

bottom of this story, as we'll see in the next section of this story below, [according to Genocide Watch](#), "*During active genocide, only rapid and overwhelming armed intervention can stop genocide.*" From that website.

All cultures have categories to distinguish people into “us and them” by ethnicity, race, religion, or nationality: German and Jew, Hutu and Tutsi. Bipolar societies that lack mixed categories, such as Rwanda and Burundi, are the most likely to have genocide. One of most important classifications in the current nation-state system is citizenship in a nationality.

(ANP EMERGENCY FUNDRAISER:

Due to heavy censorship by 'big tech' upon ANP articles, we're running an EMERGENCY fundraising drive. We also want to thank everybody who has donated to ANP over the years. With donations and ad revenue all that keep ANP online, if you're able, please consider donating to ANP to help keep us in this fight for America's future at this absolutely critical time in US history. During a time of systematic, 'big tech' censorship and widespread institutional corruption, truth-seeking media and alternative views are crucial, and EVERY little bit helps more than you could know!

KEEP ARMING UP HEAVILY, AMERICA, TO PREVENT GENOCIDE!
All Those in Favor

And while today's Democrats love to portray themselves as '*for the people*,' as former US Congresswoman and US military Veteran Tulsi Gabbard recently warned, [Joe Biden and Adolf Hitler share the same mindset](#), and that, '*for the people of America*,' is a disaster in the making.

Yet the mere fact that Tulsi Gabbard just removed herself from the '*party of insane*,' and is a US Veteran, is a good thing for America in that it leads us to ask, how many more people in the US military are awake and aware and

using that fine '*tool of discernment*' to cut through the BS they are being sold? For the sake of all future generations of Americans, we hope there are many of them who are able to see the '*enemies of America within*' we were warned about long ago.

And as we'll see here in this next portion of the *10 Stages of Genocide* we're looking at, stage 9 or '*active extermination*,' once it begins in earnest, the only thing that can put a stop to it is '*rapid and overwhelming armed intervention*.' The words of Genocide Watch, not ours. We absolutely pray it never comes to that. And with part of stage 9 also being the

destruction of a group's religion, we'd argue the globalists war upon Christianity happening now is exactly that. Once again, [from that Genocide Watch story.](#)

Extermination begins, and quickly becomes the mass killing legally called “genocide.” It is “extermination” to the killers because they do not believe their victims to be fully human. When it is sponsored by the state, the armed forces often work with militias to do the killing. The goal of total genocides is to kill all the members of the targeted group. But most genocides are genocides “in part.” All educated members of the

targeted group might be murdered (Burundi 1972). All men and boys of fighting age may be murdered (Srebrenica, Bosnia 1995). All women and girls may be raped (Darfur, Myanmar.) Mass rapes of women have become a characteristic of all modern genocides. Rape is used as a means to genetically alter and destroy the victim group. Sometimes the genocide results in revenge killings by groups against each other, creating the downward whirlpool-like cycle of bilateral genocide (as in Burundi).

Destruction of cultural and religious property is employed to annihilate the group's existence from history (Armenia 1915 - 1922, Da'esh/ISIS

2014 - 2018).

"Total war" between nations or ethnic groups is inherently genocidal because it does not differentiate civilians from non-combatants. "Carpet" bombing, firebombing, bombing hospitals, and use of chemical or biological weapons are war crimes and also acts of genocide. Terrorism does not differentiate civilians and combatants, and when intended to destroy members of a national, ethnic, racial, or religious group is genocidal. Use of nuclear weapons is the ultimate act of genocide because it is consciously intended to destroy a substantial part of a national group.

During active genocide, only rapid and overwhelming armed intervention can stop genocide.

[Much more here.](#)

So while those who haven't been paying attention might ask, "*What genocide?*" as we hear in each of the videos below, all of these people here in America and around the world who are '*dying suddenly*' at very young ages, while at the peak of their health and strength, IS genocide happening before our eyes.

Yet this isn't the '*kind*' of genocide that we've seen in the past so often with only one or a few '*groups*' demonized and '*exterminated*' but a new kind of genocide altogether with the globalists firmly believing in their minds that our planet is hugely overpopulated so they need to '*eliminate*' as many of us '*useless eaters*' as they possibly can via their '*depopulation agenda*.'

Reported upon many times here on ANP, as we've warned time and again, for years and years the [Deagel Report had a crazy forecast for a 2025 America of less than 100 million people living here](#), a staggering population drop of more than 200 million people

and in less than 3 years from now, with Deagel's sources for their information the '*deep state*,' including the US military, the CIA, the US Department of State, the World Bank and the European Union.

And as [we had warned on November 13th in this story](#) reporting on a tidal wave of death flowing America largely targeting the young, '*genocide*' serves the globalists depopulation best by taking out the young, a point echoed in [this recent story over at Natural News](#) titled "*SLOW MOTION GENOCIDE: Excess mortality up 40% all around the world following release of covid 'vaccines.'*" [From that story.](#)

*Mathematician Igor Chudov conducted an assessment of two completely different datasets encompassing tens or even hundreds of millions of people from which he **concluded that the relative risk of death for people who got “vaccinated” for the Wuhan coronavirus (Covid-19) is 40 percent higher than that of the unvaccinated.***

All around the world where Fauci Flu shots were unleashed, Chudov says, excess mortality is through the roof. It is something that many of us have known about for a while now, but that was substantiated by a patchwork of data from here and there

– not quite enough to convince some, in other words, that mass depopulation is, in fact, taking place.

Well, Chudov addressed this by conducting an extensive analysis of numerous datasets to scientifically prove that covid shots are killing lots and lots of people, despite being branded as the “cure” for Chinese Germs. ([Related: The more covid jabs a person gets, the greater his or her chances are of dying.](#))

“Many countries are experiencing excess mortality,” Chudov writes. “There are some indications that excess mortality is related to the Covid

vaccination program ... Various countries have very different RATES of Covid vaccination among their populations – and their mortality statistics are available."

So while we will never hear anything about the shocking amounts of 'excess deaths' happening here in America and all around the world from our mainstream media, nor should we ever expect them to review or report upon the upcoming documentary "Died Suddenly," as we hear in the first video below, this time the genocide will be televised with no way for the globalists to hide what's happening short of a full-scale worldwide takedown of the

electrical grid and the internet, their lies being exposed for Americans and the entire world to see.

Because as we see and hear in the 2nd video below titled "*We Are About To See One Of The Greatest Human Die Offs Of All Time*," with more and more courageous doctors warning of more and more mass deaths ahead due to countless people trusting the big pharma mafia and taking the kill shot, thus destroying their immune systems, we're warned to expect those '*dying suddenly*' to multiply in the days ahead.
