**Dissecting 'The Coming Great Deception' Being Pushed On America Like A Science Fiction Movie By Examining Operation Paperclip, Operation Highjump And The 'Empire Beneath The Ice'**

**- Slew Of Stories From The MSM Pushing 'Disclosure' Are Setting Up Global Govt**

[By Stefan Stanford - All News Pipeline - Live Free Or Die](#)

In beginning this story I'll admit right out that I certainly don't know all of the answers to the questions which I'll pose within it, but a lot of the information that I'll be bringing forth here is part of what led me to start this lifelong journey of a search for truth in this '*empire of lies*' we've been pushed into by the '*PTB*' that clearly don't have '*humanity's*' best interests at heart while they push for more and more power and control, their lies continually passed on as '*truth*' by the '*mainstream media*' which they completely control, leading to billions completely blinded to what is '*real*' and what are '*falsehoods*.'

With Donald Trump recently [accusing](#) US intelligence agencies of waging psychological warfare against us for at least the past 7 years, since at least as far back as the Obama administration repealed the Smith-Mundt Act, which had [banned the spread](#) of US govt-made '*news*' to Americans, back in 2013, that ***long-standing anti-propaganda law prevented the U.S. government's mammoth broadcasting arm from delivering programming to American audiences. But on July 2, that came silently to an end with the implementation of a new reform passed in January.***

[Resulting in](#) the ***unleashing of thousands of hours per week of government-funded radio and TV programs for domestic U.S. consumption in a reform initially criticized as a green light for U.S. domestic propaganda efforts***, we'll give proof within this story that despite that propaganda ban, the ***American people have been being fed govt-created propaganda for many, many decades, some going back over 100 years***, with this particular story examining the '*Great Deception*' which suddenly the

mainstream media is now pushing heavily in an attempt to keep control over the '*Great Disclosure Narrative*,' though we'll be also looking at what they are not.

With the mainstream media now pushing UFO's and '*extraterrestrials*' in a huge number of stories out recently, such as [this story over at MSN](#) which was published this past Tuesday titled **"An 1897 UFO Crash Took Place In Aurora, Texas, The Pilot Allegedly Was "Not An Inhabitant Of This World";"** as well as the following stories over at the Daily Mail, [the first one](#) titled **"Pentagon whistleblower says the Vatican is aware of the existence of non-human intelligences and helped the US retrieve a downed UFO from Italian dictator Mussolini at the end of WW2;"** the [2nd one](#) titled **"EXCLUSIVE: Crashed UFO recovered by the US military 'distorted space and time,' leaving one investigator 'nauseous and disoriented' when he went in and discovered it was much larger inside than out, attorney for whistleblowers reveals;"** and [the 3rd one](#) titled **"EXCLUSIVE: Marine vet breaks 14-year silence to make astonishing claim that his six-man unit saw a hovering octagonal UFO being loaded with WEAPONS by unmarked US forces who threatened them at gunpoint while serving in Indonesia in 2009;"** as well as [this recent story over at The Hill](#) titled **"Stunning UFO crash retrieval allegations deemed 'credible,' 'urgent' ;"** take a look at what author [Steve Quayle](#) had mentioned in a note while linking to [this story over at Zero Hedge](#) titled **"We Are Not Alone": US Has Retrieved Craft Of 'Non-Human Origin' Says Whistleblower From Govt. Task Force On UFOs:" "REMEMBER THAT THEY ARE CONTROLLING THE DISCLOSURE NARRATIVE FOR A**

## **REASON!"**

And with the [Daily Mail also publishing this recent story](#) titled **"EXCLUSIVE: Six whistleblowers who claim they worked on military UFO programs retrieving and analyzing crash material have come forward to spill their secrets to senior members of congress,"** how close can we be to 'disclosure,' and **what versions of the 'truth' will we get** from our government and the mainstream media, if any at all, considering the never-ending lies we've been told now going back MANY decades?

With all of these stories coming out at nearly the same time as [this one over at TMZ](#) reporting just recently, a family in Las Vegas actually reported to police seeing 8-foot tall 'aliens' roaming about in their backyard after an alleged 'crash landing' of some sort of 'object,' and the crazy part being 'something strange' was actually caught on police bodycam falling from the sky at that exact same time, are we being **'set up' for 'disclosure' to usher in 'global government?'**

So within this story we'll be examining 'the Great Deception' which hangs over America like a science fiction movie, taking a look at several proven US military operations from our past, including [Operation Paperclip](#) and [Operation Highjump](#), in our look within this story at UFO's and 'extraterrestrials' and everything the MSM is now heavily pushing, as well as [Steve Quayle's](#) must-read book '[Empire Beneath The Ice,](#)' in which Steve confirms for us **'the truth about history has been long hidden.'**

With [Steve's book](#) showing us why almost everything we've *learned about World War II and the defeat of Nazi Germany is wrong*, with hidden and suppressed evidence proving Adolf Hitler didn't die before Germany surrendered during WWII, how he eluded capture and how Nazi SS members, including scientists and soldiers escaped with Hitler to create colonies in South America and other parts of the world to continue their monstrous research and human experimentation, even the '*mainstream*' was forced to report on parts of that diabolical truth in their few reports on '[Operation Paperclip](#),' a proven top-secret US intelligence program *in which more than 1,600 German scientists, engineers, and technicians were taken from the former Nazi Germany to the U.S. for government employment after the end of World War II in Europe, between 1945 and 1959.* And '[Operation Paperclip](#)' happened briefly during the same period of time as '[Operation Highjump](#),' which occurred from 1946 to 1947, and Operation HIGHJUMP, officially known as *The United States Navy Antarctic Developments Program*, also called Task Force 68), *being a United States Navy (USN) operation to establish the Antarctic research base Little America IV.*

Organized by Rear Admiral Richard E. Byrd, Jr., *Operation HIGHJUMP* commenced 26 August 1946 and ended in late February 1947, included 4,700 men, 13 ships, and 33 aircraft, as [Steve Quayle warns us in his book](#), in 1947 Admiral Byrd warned that ***the US should adopt measures to protect against an invasion by hi-tech aircraft coming from the polar regions***, adding, “The time has ended when we were able to take refuge in our isolation and rely on the certainty that the distances, the oceans, and the poles were a guarantee of safety.”

And with [wikipedia reporting of 'Operation Paperclip'](#) that those top-secret exercises, *conducted by the Joint Intelligence Objectives Agency (JIOA) and largely carried out by special agents of the U.S. Army's Counterintelligence Corps (CIC), with many of the personnel being former members and some were former leaders of the Nazi Party*, many of those 'experiments' were carried out on *V-2 (rocket) weapons, jet and rocket propelled aircraft, naval equipment, field radios, secret writing chemicals, aero medicine research, gliders, and "scientific and industrial personalities"*.

And as Steve warns us in "[Empire Beneath The Ice](#)," while we've long been told one thing about World War II and the fall of Nazi Germany, in reality, long after World War II was supposedly over, using their advanced technologies, *Nazi saucers defeated the US military*. Also warning us in his book *that the US space program was mostly a sham*, and that the so-called “UFOs” that started appearing around the world in the late 1940s were (and still are) *most likely flown by Nazi pilots*, we hear in the videos at the bottom of this story how much of this is deeply tied into the 'shadow government' that rules over most of the world today.

With Steve also warning us in his book that ***today's world is secretly controlled by a malevolent shadow government and entire populations are being surreptitiously brainwashed*** and that those controlling our planet have laid the groundwork for a takeover by a dictator who could best be described as the ***Antichrist of the Bible***, "*Empire Beneath the Ice*" dissects many of the topics that the MSM is heavily pushing today, ***giving us insights they'd never touch into preventing this diabolical takeover while exposing the dangers our world faces and arming us with tools to counter these unspeakable, secret evils.***

While in the 1st video below, we hear about an emergency '*continuity of government*' plan to use the '*UFO threat*' to completely seize control over the government in steps to complete the installation of the kind of dictatorial global government [Steve warns us of in his book](#), in the 2nd video we hear about Dr Steven Greer & UFO whistleblowers dropping a UFO BOMBSHELL on Washington D.C.

Highlighting a recent '*UFO disclosure*' press event held by Dr. Greer and others at Washington's D.C. press club while being led by renowned researchers, members of the United States military, defense contractors and former government officials, ***this conference revealed shocking testimony about the secret space program, reverse engineered alien craft, and massive crimes and cover up.***

With '*Redacted*' host Clayton Morris walking us through the highlights of that '*UFO event*,' the 3rd video below is the full length documentary from a few years ago titled "*Empire Beneath the Ice: The Nazi Secret Empire*" which takes a look at many of the topics discussed within this story, including [Steve's book](#) and the top-secret US military projects that have been ongoing surrounding so-called 'extraterrestrials' and these secretive technologies for many, many decades.

So while the globalists may finally be ready for some sort of '*disclosure*' surrounding these topics as a way to ensure their '*control*' over what we learn, and what we don't, as the globalists losing the control of the narrative puts them in a very bad place, we'd love to know what you think about all of this happening now in our comment section below. Are we about to finally be told the

truth, the whole truth and nothing but the truth surrounding all of this, or is this just another 'exercise' to keep Americans in the dark as the globalists continue to erect their 'global dictatorship' with humanity their slaves, forever? And as always, any videos/stories that you might want to share surrounding these topics are greatly appreciated!
