*million children are killed worldwide by a respiratory virus. Meanwhile hundreds of children are now dying suddenly around the world due to the lethal Covid vaccines that Bill Gates forced on the entire population including children who never needed it.*

*Will this be a massive coverup for the millions of children and young people who have already received the toxic Covid vaccines? Or will this be another lab-created virus released on the world that targets specifically children and young people?*

*The evidence, data, documents and testimony clearly demonstrate without a doubt that the Covid-19 Pandemic was a planned global fraud on the entire world. A Two year investigation proves Bill Gates, Klaus Schwab and others are using pandemics, wars and chaos to fulfill their agenda of depopulation and total world control.*

*Bill Gates has in the past and now in the present many times clearly stated "There will be another pandemic." If we do not arrest Bill Gates immediately there will be more death and destruction coming to humanity.*

*Pandemics and vaccines are a tool for population control, profits and world control. Fear and public health is the strongest tool to shape and manipulate the populations. Bill Gates has monopolized the vaccine industry as he criminally did with Microsoft. We must protect our innocent children at all cost and defend humanity from those who wish to destroy it.*
